Launching an On-Demand Medical Interpreter Webinar

1. Once registered, you can launch a webinar by going to My CME and then Tests. If you have registered for a bundle, all 4 webinars should appear in the list.

Interpreting for Asthma

Interpreting for Asthma Vocabulary List
Review this vocabulary list and look for translations in your target language.

Check Answer

5. Next, click "Complete Evaluation" to provide your feedback and complete the course. The evaluation is required to earn credit for your participation.
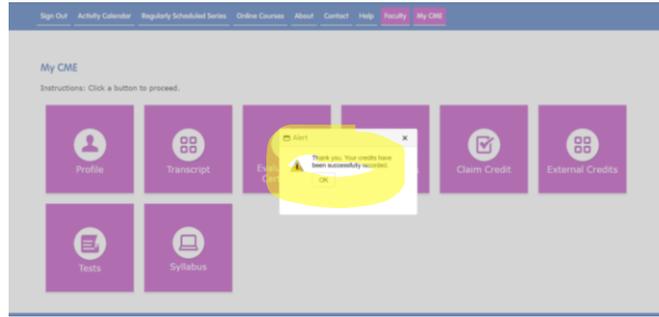

Total Questions	1
Number Correct	1
Score	100%

You have completed this test successfully. To receive credit and obtain a certificate, click the Complete Evaluation button below.

Complete Evaluation

6. After you submit the evaluation, you will see a pop-up box letting you know your credits have been recorded.

Email questions about the Cloud CME platform to cme@cmh.edu
Or questions related to the Webinars themselves to LSeducation@cmh.edu

7. You can now go to My CME and either Transcript OR Evaluations & Certificates to see the completed course. In addition to seeing the credits in CloudCME, you will also be emailed a copy of your certificate.

- Transcript:

| 7244-7357 | Interpreting for the Fetal Health Center, May 3, 2024 - May 30, 2025 | 1.00 | 6/19/2024 |

- Evaluations & Certificates:

| 6/19/2024 | Interpreting for the Fetal Health Center - CEAP Instructional Hours | DOWNLOAD CERTIFICATE |

8. Repeat steps 1-7 for other on-demand courses you wish to take.

9. If you would like to go back and watch a video again AFTER you have completed the evaluation, under My CME, select Tests, and then at the top select 'Show Completed Tests'. You will then be able to launch the video again. If you do not check this box, previously completed modules will NOT appear.
